Bigger isn't always better. A breakthrough in compact design distills all the convenience you'd expect into a footprint that is much smaller than comparable groupings. Clever is feature-rich, with elegant enhancements such as arc privacy panels to ensure privacy and handy toolbars to make organization easy. Whether you're designing a comfortable open plan or private office, here is everything you'll need to bring your most imaginative schemes to life—while you get the most out of every inch of precious floor space.
