Judicial Laminate  
Arlington Seating, Caress Purple Black Leather

We think the dean of American statesmen would smile at these casegoods which bear his name. Durable, affordable, and solidly traditional, Franklin is a fitting choice for any office where the emphasis is service. High or low-sheen laminate finishes provide a prudent measure of lasting protection for busy work surfaces. Other commonsense features include smart cord management, locking drawers, and full-extension file slides. This is the kind of value Poor Richard himself would have relished.
