WaveWorks® Casegoods and Tables

Want comfort? Relax. With synchronous tilt, adjustable arms and back, and contours that practically caress, Gotcha is easy on your body. And it won't cost you an arm and a leg, either. But beware-you may be tempted to visit the office on weekends just for comfort's sake. (Or, you could always get your own Gotcha for home.)

Got work? Then sit. And find out what you can do with a truly versatile task chair. Gotcha is the perfect choice for busy people. With subtle contemporary styling, it puts the emphasis right where you want-on making work easier and more enjoyable. Gotcha may be the coolest thing to happen to your office since casual Fridays.

1 Swivel Arms

Ergonomic arm pads can easily be rotated to any of 3 positions.

2 Arm Height Adjustment

A simple button allows the arm height to be adjusted up or down within a 2 5/8" range.

3 Arm Width Adjustment

Lever located at the base of each arm adjusts the arms in and out 1 1/2" or a total of 3" between arms for optimum comfort.

4 Sculptured Back/Seat

Gotcha's contoured back provides excellent lumbar support for the lower back, while the seat enhances circulation in the legs.

5 Pneumatic Height Adjustment

A standard pneumatic gas cylinder allows seat to raise and lower 5" and provides spring action for added comfort. A finger grip lever adjustment is quick and easy.

6 Back Height Adjustment

By simply lifting the back from a seated position, the back height can be adjusted.

7 Back Lock Limiter

The back can be ergonomically locked into 6 positions.

8 Seat Angle Adjustment

For optimal comfort, the seat angle can be adjusted to 3 different positions.

Seat Depth Adjustment

Lift the lever and the seat glides easily. Release the lever and the seat can be locked into any 1 of 7 positions.

Synchronous Control

The dual-action synchronous control allows the seat and back to move in a synchronized 2-to-1 ratio motion. With a unique free float motion, Gotcha tilts freely.

9 Base and Casters

Gotcha's sturdy five-prong base features black glass filled nylon for beauty and a long life. The standard double wheel casters allow the chair to roll smoothly on multiple surfaces.
