Kite™

Flip. Roll. Nest.

Meet Kite, the unique, free-wheeling training and conferencing solution. A quick-folding design and heavy-duty locking casters make it easy to handle setup or takedown. Tables nest for space-saving storage and can be transported while in folded position, with no dolly. "Lift" (mobile marker board) caters to those ever-present meeting necessities. How many ways can Kite work for you? The sky's the limit.

V-shaped conference setting in Sandstone featuring the Kite table along with the "Breeze" cart, "Velocity" cart and "Lift" mobile marker board with presentation rail and additional removable boards. Mix-it® Platinum Seating shown in Menswear Khakis.

A facilitator's dream.

Kite makes unique configurations easy. Connect the four table shapes—Kite, Box, Fan and Dragon—to suit your ever changing needs. Work ready thermofoil wrapped surfaces feature a smooth, seamless finish. Smart carts such as "Gust" (for LCD/DLP data projector and/or overhead projector use and storage) make presentations smooth sailing. Just roll in place and your meeting requirements are complete.

U-shaped conference setting in Cloud with "Gust" cart. Also featuring presentation rail with removable marker board and tackboard. Gotcha™ Seating shown in Mystique Glitter.

Sail into action.

Scheduled to start in five minutes? With Kite, one configuration practically morphs into the next. "Velocity" (a versatile media cart) and "Breeze" (don't forget the refreshments), fly into place in an instant. Nested tables are neatly tucked away for future use. Kite is sleek, durable, and fast. You're "good to go."

Circular conference setting in Sandstone with the "Breeze" cart and nested group of Box tables. Cinch™ Seating shown in Charcoal.
