Mix-it®

You suspect that any chair would be more comfortable if you could only fine tune it to your satisfaction. Guess what? Mix-it lets you tune to your heart's content. Choose armless, static arm, or adjustable arm models with platinum, wood or urethane accents. Synchronous control with free float is standard, as is superior command of back tension, back height, back angle, and seat angle. Tweak away.

Contoured foam welcomes you with cushy comfort and double-wheel casters make for smooth moving, even across carpeted floors. Mix-it's finger-grip pneumatic takes you almost effortlessly to your ideal height. Optional seatslide allows your choice of 7 seat depths. Specify the warmth of hardwood, the contemporary platinum, or the durability of urethane and nylon on the arms and base. If you happen to hear violins, it's simply because Mix-it is a match made in heaven.
