It's easy to see why this seating line is so popular. These carefully crafted good looks are perfect in any environment, from general purpose use to conferencing. And the mid-pivot control puts a full range of settings at your fingertips so you get precise, posture-perfect adjustment, no matter what your size. If only you could exert as much influence over next month's sales figures, it would almost be a perfect world.

Autumn Finish
Sedona Mesa

The symptoms of ill-fitting seating range from lost productivity to plain looking out of sorts. Now you can choose a tasteful cure that also offers relief for your budget. Remedy gives you stylish comfort with plush surfaces and molded contours that support you in all the right places. You haven't felt this good since your last vacation. Isn't it amazing what the proper medicine can do?
