National Side Seating...

Timberlane™

Timberlane presents elegance without pretense. Choose armed or armless models, with backs of gently contoured wood or finished in fabrics.

Journey®

Journey's sleek, transitional styling makes it equally at ease with traditional and contemporary themes. Specify arms with the same soft covering or opt for handsome hardwood accents.

Justice®

Justice's traditional lines testify to an uncommon hospitality. Button-tufted or smooth upholstered backs suit any welcoming style.

Medalist™

Medalist's large in scale family of seating exhibits champion form in a full spectrum of styles: contemporary, transitional or traditional motifs.

Arlington™

Arlington blends noble refinement with optional button tufting and hand-applied antique brass trim nails add an extra measure of elegance.

Whether in the private office, work station,
common area or cafeteria,
National has the right solution for you.

Remedy®

Remedy gives you stylish comfort with plush surfaces and molded contours that support you in all the right places.

Mix-it®

Mix-it's versatility lets you fine tune to your satisfaction. Choose between wood or urethane arms and black or platinum frame.

Triumph™

Two Triumph series, with wood and non-wood options, share a classy kinship and give you untold possibilities for winning combinations.

Tag™

Stack Tag chairs six-high and roll them in or out on their own custom-fit dolly. Room setup or takedown is a breeze.

Cinch®

Cinch's zippy little contoured seat brings a perfectly laid-back vibe to any casual common area. Add easy-on optional arms or dress Cinch up with writing tablets and bookracks to support a multitude of training tasks.

Poetry framed in wood.
