No wonder this is one of the industry's most popular seating designs. Triumph conquers the challenge of how to blend uncompromising comfort with trend-setting looks at a price that is no minor achievement. Two series share a classy kinship and give you untold possibilities for winning combinations. When it comes to making people feel at ease, Triumph has all the right moves. Midpivot control with gas lift-and-tilt lock are standard, so you can put yourself effortlessly in that ideal position to master the tasks at hand.

Here's to the practical elegance you would expect in an icon for office seating. Select fully upholstered sides or revel in the richness of northern hard wood. Protect the top surface of those gently bowed wood arms with optional decorative urethane coverings. This series lets you outfit your space gracefully for anyone, any room, any purpose. Score a major victory for work place aesthetics and comfort.
