Wow™

Wow proves that style and comfort can work together beautifully. Wow adapts well to individual personalities; yet one size fits all so it's easy to specify. Posture-perfect contours enable users to sit correctly without even trying. Precise ergonomic adjustment is as simple as pushing buttons, so even new employees waste no time in getting comfortable. Simply smart. Stunningly versatile. Amazingly economical. Don't ask how... just say "Wow."

N37KA, Shenanigans Ruse

Wow is a task chair with no rival... but it has comfort, versatility and affordability that may leave you speechless. Choose the upholstered back for support that's easy to love. Or specify sleek, formfitting plastic, ideal in conference and training applications. Wow's bold profile complements any setting where looks are important. And if you're a comparison shopper, only one word can describe the value you'll find here. Wow.
