Zetro™

Honey Veneer
Triumph™ Seating, Sedona Mirage and Shenanigans Stunt

Zetro blends the classic design motif of the early 1950s with stylish new features of today. Choose from maple veneer in your choice of 4 finishes or 6 laminates in a tasteful selection of woodgrains and solids. And check out the metallic accents: Tapered legs and pulls with a smooth platinum finish. Veneer pieces feature galvanized steel appliques on modesty and end panels that create a positively attractive design—magnetically and visually.

For versatility that's up to the task, the storage cubby box works any way you turn it, on the floor or mounted to the wall, alone or stacked. Add a contemporary dash with ribbed translucent doors (also available on bookcases and high-back organizers). The single-pedestal desks, credenzas, and bullets offer a smart take on added storage: open-shelf, personalized storage accommodations to keep books and other items neatly tucked away, yet conveniently within reach making the most of void spaces. With features for easy organization, retro has never been cooler. Zero in on Zetro.
